“ Gigi was a sweet great grandmother. I enjoyed all the times and memories we had over the years. She worked hard to stay part of the family no matter how big the family got. I wish she had the opportunity to know Noah. We will make sure that we pass on the memories so that he knows the sweet great great grandmother he had.

“Gigi surprised me with how full of life she was even in her 90s! She was full of surprises, full of wonderful stories and I know that she loved her family. I am glad she lived such a long life, to see every generation in her family grow and start their own branches on the family tree. I keep looking back at her in the family pictures and she looks the happiest when she is holding her grandchildren, great-grandchildren, and great-great-grandchildren. We will make sure to keep her in our hearts always.

“ Margaret was the sweetest woman I have had the pleasure to know. I would visit with her numerous times and loved the stories she would tell of her life history. How time changes things is simply amazing. Margaret Edwards was an amazing woman. God has called his sweet angel home. I only pray that she will be there to greet me when God calls me home. Rest in peace my dear friend. What a lovely person you are in heaven. God could not have called for a more beautiful addition to his great heaven. You will always be in my heart and my thoughts.
