“ *Such a wonderful lady. Her enjoyment of life will be unmatched! Greg called her the Energized Bunny, she kept a close watch over his steps that is for sure, so the need for extra energy for that task was necessary. I love the fond memories of our card games, she loved winning and she was good at it as well. I remember how proud she and Paw were of their constructed house in Loganville. So many wonderful memories there. Keeping Greg and Steve out of the strawberry patch! Her beautiful flowers in the yard that she loved. Oh, to have her genes and be blessed in the manner that she was blessed in the Lord. Thankful that each of you have fond memories of Maw Maw.*

“ So many fond memories... I can remember as far back as early elementary school and spending time with this beautiful family. So many spend the night parties, trips to the beach, Saturdays at the "show", beautiful times with extended family. Rest in peace my sweet aunt Margaret! You loved, you led, and you served. I know that you are enjoying spending time with Jesus and meeting up with those that have gone on before. Until we meet again...
