“ *Anne & Jean, Your mom was such a special lady! As leader of the GA's at Second Baptist, her comments & encouragement influenced my decision to become an educator! I also recall the treat of getting to ride in the rear-facing seat of your family's huge (green?) station wagon when she would take us home after the GA's meetings!! A bit more recently, your mom & my father-in-Law, Forest R Smith, accompanied by my husband, Bill, were both on the same Veterans' Honor Flight from Columbus to see the WW II veteran's memorial in Washington DC! May the Lord comfort you & your family with your own loving memories of your mom! Blessings! Bobbi Jones Smith*

“ Hi Jeanne and Anne. This is Sherry Taylor. My husband, Boyd, was in the Gideon ministry with your father. Your mother was very special to me. She was foster grandmother in the school system and was so very good with the children. I loved your mother and want you to know what a great lady I thought she was. I will let Faye Gregory know about your mother. God bless you both. Sherry
