“ *I only knew Miss Margaret the last couple of years but I thought she was an extremely strong and independent woman and I really admired her. She was so nice to my grandchildren that she taught what being neighborly is all about. She will be missed.##imported-begin##Linda Johnson##imported-end##*

“ Love and blessings to your family in this time of sorrow. Margaret was very special to my family. She worked for my Daddy at the Prescription Shop many years ago. I will never forget her kindness in babysitting for my daughter Becky when my Daddy became ill and died. The world has lost a very special person.##imported-begin##Jan Hurley Bruner##imported-end##
