“ Larry, Don, and family we were shocked and saddened to hear of your loved one's death.
The tribute is very nice. Thanks for sending the link.
Sudden death is very hard for those left, but such a blessing of God to the one taken. We both watched our parents suffer for many years. Be thankful that Margaret did not have to live a long, lingering, painful death.
I know she will be missed greatly by you all, especially those lovely grand children. It is great that she and they had some good times together.##imported-begin##Zeke and Joanne Williams##imported-end##
