“ *I've been knowing Maria for many many years. We pretty much grew up in the same neighborhoods and the same circle of ppl. She was always such a sweet person with such a beautiful smile I will never forget. We didn't see each other much but when we did we never missed a beat during our brief conversations. Girl, you will truly be missed by so many. Love you always Maria. My condolences to your husband, mother, grandmother, children, siblings and the rest of your family. We will meet again angel...*

“ Can't believe it. I have known Maria most of my life. Daddy coached her in rec softball for years, always called him "Coach". My heart is broken for this family. She was a wonderful, caring soul. No one better. Sending prayers
