“ *Marian "Grandmother" always made me smile. She was generous and kind, two things that we all sorely need right now in this crazy time. I am so very sad for the entire Norton family for the loss of Grandmother and for your inability to touch her and love her in her last days. Take comfort in knowing she is being loved and touched right now by those that went before and that you will see her again in time. Much love, Laura Johns*

Even though Marian didn't always have the easiest life she always had a smile when we saw her. She didn't let life's tragedies weigh her down or get in the way she loved her children, grandchildren, and great-grandchildren. It was a privilege to know her. My heart aches for your loss.

*Pam, David, Jack and families,
I can't express the sorrow I feel over the loss of Aunt Marian. She has always had a special place in my heart. From a very young age the closeness for her and Uncle Jack has been undeniable. They are together now in a much better place with no pain or suffering. My prayers are with all of you she has left behind. Much Love, Denise 🙏*

My heart is so sad because I miss my sister so much and I know the days ahead are not going to be easy for the three sisters and one brother who are left here. We are so happy for her because we know she is at home with Jesus and with Daddy and Mother and there is a great reunion there. There were five of us and Marian is the first one to leave and we are all so close with so many wonderful memories we shared together as children growing up on the farm in Conyers and in the latter days so many good times together. We know that you can think clearly now and you're not in pain and we are so thankful for this. It won't be long and we will all be together again. I love you and miss you...Until we meet again.
