“ *Mom was a very special lady. I truly believe she was one of a kind. I know she is in a better place and that makes it easier for all of us. She loved plants! She could make any plant rejoice and be lively and full. Just like her!!! I remember her coming to visit years ago. She was so mad at me, that she took my plants home with her. When she brought them back, I thought she had bought new ones. I love her and miss her so much. Love you Mom, Cindy*
