“ Sylvia and kids, Jackie, and Sandra.....Our hearts were broken to hear that Bruce was not doing good at all and that hospice had been called in. So sad to see him go. He was a fighter and we were all so proud of how much he loved life and was willing to fight for it. Enjoyed our conversations at the Howell reunion and could tell how much he loved and admired his family! Loved the memorial video. We will miss him so very much. May God strengthen each of you as you face a new day without him by your side. His love of his family and life will live on forever in each of you! God Bless and keep you, your cousin, Diane Howell Holley and Uncle Don Howell

“ Bruce was a great friend for many, many years. He was a strong-willed man and determined to beat cancer. He was a great inspiration and will be greatly missed. He watched our son, Buck, grow up through the NWTF. At Jake's Day on May 10, 2014, he met Buck's daughter, Carolina, for the first time. We are thankful for that time on that day. May God bless all of his family. Our thoughts and prayers are with you, Tommy and Martha Clack

“ I am so sorry to hear of Bruce's passing and send my heartfelt sympathy to his entire family. I started trading with Bruce at his first location on Memorial Drive and continued at his second location and until he closed his business. I also continued depending on him for service after he began working at McLoy's. I could always depend on Bruce for his honest and fair business practice and his willingness to accommodate his customers. He was a fine man and will be missed by all who knew him.

“ Sadly, I will not be in town for Bruce's service. He and I were friends since the early 1970's when he owned Howell & Grant Tire Store at its original location on Memorial Drive in Stone Mountain. Over the years we found that we both loved hunting, especially turkey hunting. I recruited Bruce into the National Wild Turkey Federation family and he went on to become President of the Atlanta Chapter, then served as President of the NWTF State Chapter. Bruce's legacy will live through his work and he will be missed by all who had the pleasure of working with him. I'm looking forward to seeing my friend again in Heaven.
