“ *The girl in the middle. Bless her heart she had the first, a boy that was the best! Then a boy that was the baby....the baby always special.. Then the girl in the middle. Labelled as the trouble maker. That needed a mother to love her too; even if she was just like her daddy. I loved my mother and she loved me. I love my brothers and hope they love me, because that's all I have. Good, bad or indifferent, they are mine. I can't pick my family, just my friends. I may not be the first, the favorite, or the baby, but I know she loved me in her own way. And I loved her as the only mother I have.*

“ *My family loved Juanita, when Park Place made roommates mama and Juanita , they got along right off. I would go by there and they would be laughing. Juanita looked after mama. I will never forget you Ms Greeson, you will always hold a special place in my heart. My granddaughter Kaylee loved you, I just took her 2 wks ago to see Ms Greeson. I know mama was waiting at Heavens gates taking her by the hand, walking down Heavens. Path giggling. May you rest in peace sweet lady. I Love You!*

“*Bug and Laverne - My prayers and thoughts are with you during this time. Your mom was always nice and helpful to everyone. We shared a lot of horse shows and good times when all of us were kids. My memories will always be of good ones and her smile. Death is always hard, but the good times always should outweigh the sorrow. Know that she is in heaven and doing fine. I did not know that Leroy had passed away last year. I guess we kids should stay in touch with each other more. My thoughts and love are with you guys. Come see me sometimes. We are all still kids and may have slowed down, but we still smile about all the mischief we stayed in. God bless you.*
