“ *We loved Mark! I can still see his beautiful smile & hear that warm laughter. He loved his wife Carol and lit up when talking about his children and grandchildren. Mark was a rare soul who will be greatly missed by all who were lucky to know him. We pray that sweet memories will help comfort the family during this difficult time. “ Mark is one of the best men I have ever known. Mark had the incredible ability to be happy for everyone's success and never begrudged anyone's success. For over 30 years I have counted Mark as one of my best friends. While I will miss him, he will never be forgotten by me and all of my family. All of my love to Mark's family and we will see you in the eternities, if I can live well enough to merit being where I know you are. Love, Fred McKeen

“ Mark is and will always be one of my favorite characters in this or any life. I am heartbroken to hear of his passing. May God give strength and soon relief of grieving to his family. I know he brought much joy to many lives.

Godspeed,

This is such sad news of Mark's passing. In our younger years while the Kramer's lived in Pa Mark was a constant source of kindness and laughter and we always enjoyed being in both Mark & Carol's company. The steel mill is where Dennis & Mark first became instant friends! Our thoughts & prayers to his loving family during this time of loss & sadness. Dennis & Marion Hart

“ Mark is and will always be part of the original Melita family tree. I / We all loved his great sense of humor, jokes, funny remarks and helped made the office a fun place to be. Mark will be very much missed.

Condolences,

Mark was such a big warm-hearted man! I worked with him at Melita for many, many years. I looked forward to going back to his office to just sit, talk and laugh! His door was always open. He is a man of love, and I say it that way, because “love never fails”! Rest my Brother, my friend!!!

Praying for the Kramer family!

Mark was my work brother and friend. We spent quite a lot of time joking and chatting on just about everything. He was and always will be quite a guy. I've missed him over the last few years. My thoughts go out to all those that knew and loved this wonderful man.

I too worked with Mark at Melita. When I think of Mark, the 1st thing I remembered about him was he always had a smile on his face. RIP Mark and may God comfort the Kramer family..
