“ *As I recall the past of our lives, I think you were just twelve years old when Judy and I married in 1968. We grew old together and knowing what a Loving mother and father that you and Judy had was a blessing. I only wish now that you and I could have had more conversations and spent time together. Judy and our family Loved you while you were here on earth and pray that God is taking care of you, Mark McCarty, Doris and Coile McCarty.*

“ Mark and I were very close friends at one time. Always doing something together n or up till he had to be home to help his mom. He was for the most part a loaner, staying at home with his mom, most all the time. I remember 1 year, my wife & Mark wanted to do something special for Doris & Dorothy's 80th Birthday. So Mark went all out and bought steaks, we had cake & few gifts. You could tell that they hadnt done much celebrating in a while & really enjoyed themselves. Mark was so excited about doing that for them. Mark wouldn't ever buy much for himself n started lookn forward to Christmas, to see what we got them! Mark & I were very close, he even had a key to our house and would take care of our dogs and indoor plants when we were outta town. He once told me he had never had friends like us and that meant a lot. My wife and I ended up splitting up after a while and My friendship with Mark sorta faded away. I sorta lost contact with him for a while and would occasionally call & check on them. I had last saw him around October 2020 at Kroger one morning. We talked for a few mins and he told me to stop by but I was always so busy n just never made it by. I came to AL before Thanksgiving & ended up with Covid-19 n had Mark on my mind while in Quarantine but just never called him. After I got outta quarantine my mom then step dad both came down with covid, So I've been here ever since. My sister n law & brother told me about Mark passing n it brought back so many fond memories. Mark was a very good Man & Friend, we will miss him very much. Condolences to Judy & family. May God Bless you all.
