“ *Mark will be so missed. He is so intertwined throughout so much of our lives. From diapers on. I'll miss the "hey ladies" texts, and I'll miss how dang funny you always were. You mean so much to both Brandi and me. Prayers for his family during this time. I wish words existed to make the pain stop.*

“ One of the many fond memories i have of Mark W. is he loved us all going geocaching together, looking for treasure. One time we went to a state park & got the coordinates for a hidden cache or treasure & looked around. It was fun even though there was 2 or 3 inches of snow, making the treasure harder to find. Another time we found “coconut man” in a tree about 5 feet up.

Love & prayers. So sorry for our family's loss.
