“ I had the pleasure of working with Marsha at Athens Heritage, knowing immediately that she was a special and caring person. She was an incredible and dedicated DON, compassionately caring about her patients and their families, employees, and friends. Her strong leadership and presence were evident only through a soft demeanor. Many patients experienced better lives because of her, and I'm grateful that her life was shared with me. I will miss her, and I pray that others will be inspired by her life and find peace in knowing she fulfilled her purpose.##imported-begin##Lori Pearson##imported-end##
