“ My deepest sympathy to the Allen family. While I did not have the pleasure of knowing Martha, I do know her son Randy and his wife Pat. I know how much they loved her and can attest to her role in raising Randy into the good man he is today. The true value of a life is the impact you have on those whose lives you touch. She left behind a great family who loved her very much.

“ Ms. Allen was an amazing woman who had a heart of pure gold!!! She loved to do for others and make others happy!! I never ever heard her even utter anything bad about anyone. She loved everyone with her whole heart. I will always cherish all of the memories I have of her, but a couple of them are I would sit in front of her and she would brush my hair, which I loved and she knew it! It was her way of pampering me! I adored her laugh, it was contagious! She loved cooking for anyone who came over. It made her so happy to feed others. She made the absolute BEST dressing I've ever put in my mouth at Thanksgiving!
To David, Newanna, Tammy, Randy and their spouse's and to her grandchildren.....my heart breaks for you all, but definitely consider yourself so blessed to have had such a wonderful, loving, caring and giving woman to call Mom or grandmother. Prayers for all of you!! I have always loved you Ms. Allen and you will always have a special place in my heart!! You made a difference in my life and I am forever grateful to have known you and loved you!

“ When we were building a cabin, Mom called up, saying her and Dad were coming up and bringing a can of pork and beans, a can of salmons, and a big onion. I told Mom we would not it that. To my surprise, we ate all of it sitting around a campfire and it was the jumbo size!! Mom and Dad slept on the plywood floor with no wall. Priceless!! love you, Mom and Dad!!!!!!

“ Ms Martha (Momma as I called her) was one of the sweetest, kindest, people I know. Never met a stranger and always thought of others before herself. There was this time we were shopping at Mall of Georgia and she went outside and I told her " Momma if anyone tries to mess with you, take that big purse and you knock them in the head" she just laughed, she said don't worry about me. And another memory was camping we were playing horse shoes and she wanted to play, the shoes were so heavy for her but she did it, she was determined, she love to play horse shoes. We love you and will miss you. Thank you for always thinking of my children it meant a lot to me and you will always be special to us..

“ My favorite memory of Ms. Allen would have to be the many times of coming down the stairs early in the morning after spending the night to her making homemade biscuits. I always wanted to be able to make her biscuits. They were the best! And she always wanted to feed them to me. Said I ate like a bird. You were loved because you loved us! Peace be with you. Susan and Family
