“ I remember when Aunt Martha and Uncle Maurice would take us skiing on Lake Lanier many years ago. She taught me how to make strawberry fig preserves. Aunt Martha always told me if I wanted to learn to sew like grandma and her all I had to do was to keep trying, I could do it. I'll miss her laughter, smiles and encouragement. She and Uncle Maurice raised two wonderful children. (Craig & Kim) and was always there for all of us kids. We loved you more that you could ever know and will miss you greatly. Thank you for being the wonderful blessing to us all, that you always have been. I hope one day I'll learn to sew beautiful creations as you and grandma did for so many years.

I know you are in the Lord's presence now and what a glorious meeting that must be. I pray as you watch over us all you look down from the heavens to say " We all make you proud" of the people we have become. Forgiving, loving and walking in Jesus's love...
