“ I only met your mother once (kayla davis) and she was such a funny person and she made my day with some of the stuff she said. We are here whenever you need us and thinking of your family at this time.

“ I remember when Tim And Robin we're on a band with my brother and Dad, I would babysit Kayla, Tiffany & Brian. I loved seeing Robin in Church. She loved the Lord & Served him with all of her Being. I will miss this beautiful woman. She has touched many hearts in her life time. Heck she was like a momma to me as well. RIP Robin. I love you and FLY HIGH UNTIL WE MEET AGAIN.

“ *This woman was far more than just a mama or neenee! She was everything to us all! If she ever came into your life she definitely left her mark. I want to thank her for raising such amazing children, especially my Brian. He is rough around the edges and far from perfect. But he loves with a love bigger than life, and I know she is responsible for that! I will miss you forever Mama! I will take care of your son and his babies for the rest of my days. I love you!*
