“ *I will miss my dear friend Marti. We have been friends for more than 20 years, but we spent a lot of time together the last three years. God was a very important part of Marti's life. Her love for her family was unconditional!*

“ *My heart breaks with all of the family with Marti's passing. She was a dear friend of many years and we enjoyed going to church together years ago, selling Mary Kay, and working at or going to or just watching NASCAR races and just spending time together before I moved away. She loved God and her family and friends dearly and will be greatly missed. Praying for the family and friends.*
