“ I knew Martha (Mopsy as we called her in school) since we were in the first grade at Dacula Elementary School and all the way until we graduated from there. I played basketball with her and Nora Lee Thomas as forwards for Dacula for 4 years. We went to the county tournaments and state tournaments while we played together and our team was placed in the Hall of Fame at Dacula High School. She was one of the best forwards that ever played for Dacula High School and will always be remembered for her long shot (which she seldom ever missed). I have never known such a sweet, kind, caring and beautiful person in my life. She was such a Godly woman and was loved by everything that knew her. I treasure all the wonderful, fun times we had together and I loved her with all my heart. I just pray that I can live my life as she did hers so that I can see her again in heaven someday. Rest in peach my precious friend with your devoted husband, precious mother and father and brother and all your other family and friends that you are now in heaven with.
