“ *Dear Ewell and Michelle,
I am so sorry for your loss. Marty was such a sweet person. I used to love our mountain trips and get together at Christmas. Michelle, when you were about 5 or 6 I became pregnant for the first time and your mom got together two huge bags of your baby clothes and some other baby paraphernalia. Marty was such a giving soul. Love to you both and your family, Michelle.##imported-begin##Judi Martin##imported-end##*

“ Ewell,
My thoughts and prayers are with you and daughter today. I met your wife several times while working at BOA with you and she was such a sweet woman. I have peace in knowing you will be surrounded by those you love today.

Love,

“ *My name is Glenda Hatcher and I had the pleasure of knowing this special person through our work. Marty was one of my colleagues in Medical Assisting and I enjoyed seeing her at our consortium meetings. She always had a pleasant smile and she was a good sounding board. I know she had been in failing health for some time and was saddened to know that she would no longer be at Gwinnett Tech. I am even more saddened now in her passing. I know that God has healed her of all her afflictions. She was a special lady. May you know that you are in my prayers.##imported-begin##Glenda Hatcher##imported-end##*
