“ *Joyce and Melissa my heart is broken, how awful to have to have a service to celebrate his life, when we no more finished celebrating his birthday. What an adorable, sweet, kind person was Marty, just like his Daddy, My Friend Michael. Take some comfort that they are together now. Funny how the more people we love that leave, makes us not fear death as we might once have. They are waiting for us in the sky. I love yall with my whole heart. Got to tell Marty to tell Harris his Ma misses him...huh, time for me to hush. Always!!! Jan*
