“ *Marty was an amazing kind man. After we didn't work together he still checked in on me and was what life would describe as a true friend. I am deeply sorry to his son, Chris and the rest of his family.*

“ Marty was such a wonderful man! He was the best father in law and always loved me like his own. He had a big heart and wanted what was best for all those around him. He worked hard for his family and always cherished those he loved. I will miss him so much and wish I could have hugged his neck just one more time! He will be missed by many! Prayers for the family during such a difficult time. May God give you peace and comfort!

“ I am so sorry to hear of Marty’s passing and sickness of what some folks believe to be a hoax. It is a strange time now but I knew Marty during a more simpler time when we both worked at Scientific Atlanta. He was a good friend first and then he was a great co-worker. He was a very kind hearted man and always fair. He loved to prank folks when he got a chance. He loved to laugh and enjoy time with others. Sending prayers to family and friends. God bless you all.

“ I was so sorry to hear of Marty's sickness and his passing away from this most horrid virus. He is at peace now and I know with God. He was a sweet person but I didn't know him as well as some of the family. I am his cousin, Joan Murphy. If I can be of any service to you, please call on me as I am here in Winder also. God bless you and keep you.
