“ *Becky (better known to us as BB) was the sitter for 2 of my precious grandchildren. But she wasn't "just a sitter". Samuel & Courtlyn loved BB as a grandparent. BB lived right next door to Samuel & Courtlyn. The love they shared with BB will never be forgotten. There early years were helped form by one of the most remarkable women in the world. You will forever live in our hearts. We love you BB-Sherry & C L*

“ I met sweet Becky on the playground when we were in the 1st grade and really got to know her when we were in Mrs. Taylor's 6th grade. I didn't know many of the students in her class on the 1st day of school and remember crying over missing them. Becky befriended me and I will always appreciate that. We shared a lot of good times together. I admired her confidence and beautiful voice. I enjoyed working closely with her in our Tri-Hi-Y Club at Central Gwinnett. Our families & jobs pulled us in different directions after high school, but I will always consider Becky one of my dearest friends.

“ I met Ms. Becky when I worked at the Census in 2010. While we weren't close friends while we were working with the Census (I mean, she was my supervisor! lol), we definitely did after the Census ended. She was a remarkable woman with so many fun life stories and experiences to share. Ms. Becky was often times a wonderful source of wisdom, hilarity, and sass! I will cherish the memories she created with me and our gaggle of girlfriends - Carla, Shannon, and Angel. To her family - thank you for sharing her with us. :) She was a gem and we loved her! My thoughts are with you during this difficult time. And just for Ms. Becky - Go Dawgs!! (I think that's right?) - Love, Audrey
