“ Kitty and I worked together at Bell South and became friends outside of work. Kitty always had a smile on her face and great love for family. My children were the ages of her nieces so we had a lot to talk about. After retiring a group of us would get together for meals and catch up on each others lives and also took a yearly trip together. She was such a wonderful lady loved by everyone and now she's our angel.

“ So sad to hear of Kitty's passing but I know she is in heaven, happy, healed and at peace. I worked at BellSouth with Kitty for several years. After we all went to other BellSouth offices we would still meet up once a year with several other BellSouth ladies. She was one of the strongest women I knew. Lots of love and laughter.

“ I was very sad to hear about Kitty. She was such a lovely person who always wore a beautiful sunny smile. We both lived in Norcross and worked in education. Kitty and I had dinner at the Crossing and shared some funny classroom stories. And while we didn't get together often, I always enjoyed Kitty and so admired her happy spirit and passion for fitness. RIP Kitty
