“ I have many great memories growing up with aunt Helen, Uncle Julian, Dean, Garry, Randy, and Shirley. Those were the days when we went camping, fishing, hunting, cook outs at the lake and family get togethers. I remember that aunt Helen would catch just as many fish as daddy, Benny and Uncle Charles. Uncle Julian would pull us behind his boat water skiing. And Garry would always walk down the dirt road to mama's house in Edgehill from aunt Alpha's looking for me and Cheryl. Garry would say "where's Cyndi and Cheryl", he was precious. We are all much older now, been very blessed with good family and good memories. My how life has flown by, where did the years go... We all have a lot to be grateful for.

Go rest high on that mountain aunt Helen, your work on earth is done.

Much Love,
