“ *Bill & Marsha, we are very sorry that we did not attend the service for your Mom. We would like to have been there but did not know that it was an outdoor service. We love and care for you both. While you had her for a long time, it is never easy to give up mother. Our prayers are with you during this time and in the future. We hope to see you soon. Love,
Sue and Alton*

“ My prayers and sorry are shared with the family. As my dear late Mom Dot Blalock's best friend at Great Oaks, I loved seeing Sue and always seeing her beautiful smile, hearing her laugh, and getting a hug. The first thing I would see when I entered Great Oaks would be Mom & Sue sitting side by side. What a blessing she was to all of us who were fortunate to know her. I know Mom & Sue had a glorious reunion in Heaven.

“ When I worked for Great Oaks I would start my shift. By going and getting a hug from Mrs Chancey she was an amazing woman.. always made. Me laugh. Especially when she would humm gospel songs. And tell me come sit with me for a minute dear. And I always had to get me a hug 🤗 she would hug me and then kiss me on my cheek and say I just love you. Your so sweet. And when it was time to eat she would say hey I'm hungry so I need to get in there first. And always ask for some sweet tea. She always had to have her lipstick and hair. Fixed. Before she came out of her room because she would say. I am lady. I have to look the part it breaks my heart to here that she has passed to be with the lord. I can honestly say she made a huge impact on me. And in my life. And I will always remember her I am so sorry for your loss. Heave gained an amazing angel.

“ My sympathy and prayers for Billy and Marsha and all who loved Sue. I used to clean her house when she lived in Loganville. She always made this NJ born girl laugh with her true southern ways and phrases!! Y'all know what I'm talking about! I would always say what a hoot she is! I just loved working for her. She will be missed, but not forgotten.
