“ *Betty and Family,
Mary was a special and beautiful person both inside and out. Bob and I
attended the Example Choir and the Dinners at the Lawrenceville Church of
God with Mary and a friendship was made. She will be greatly missed, but thanking
the Lord that God has taken her out of her suffering.
Our deepest sympathy is with you and your family. May the memories that were shared, and the love that was given be a comfort to you in days to come.
May the Lord to wrap His arms around you and give you peace.*

*[2Timothy 4:7-8 KJV] 7 I have fought a good fight,
I have finished [my] course, I have kept the faith:
8 Henceforth there is laid up for me a crown of righteousness,
which the Lord, the righteous judge, shall give me at that day:
and not to me only, but unto all them also that love his appearing.*

You are in our thoughts and Prayers,

Bob and Kathryn Muncy

“ *Mary was a co-worker for many years and she was always dressed to a t and her hair was always perfect. She talked about her church and how much she loved to sing. She also talked about her family and how much she loved them. She was a special lady. She will be missed.*

“ Mary and I worked together for many years at Gwinnett County DFACS. She was a steadfast presence in my life, a sounding board and advice giver when needed. An excellent recaller of Gwinnett County people and history and a well spoken individual, I enjoyed her tributes at special events. And I especially loved her behind the scenes commentary on every day work life. Most importantly, Mary had a genuine relationship with Jesus and always leaned heavily into her faith. In good times and in difficult times. She was a shining light in my life and I will treasure memories of our friendship until we meet again. May the family be comforted with sweet memories of a very special person. She's with her Jesus now.

“ Mary was a very special person. She loved my Mom and Dad and would visit them almost every day. After my folks passed Mary was like a second mom to me. She was always stopping by to check on my family and myself and always asking about my brother. I know that Heaven gained a special angel and that she and my folks are enjoying a cup of coffee together as they did here on Earth.

“ My sweet Mary..
I don't have the right words, other than 'heartbroken'. My heart hurts so much, but I know you are at peace and are the happy Mary I know and love, again. I will forever miss my phone calls but will always cherish the voicemails I have from you.
I love you 'Mama Mary' and can't wait to give you a big hug one day.
May you Rest in Peace, angel.

“ To All of the Family, Mary was one of my best friends, we use to pray together, talk, laugh, and talk some more. She was out spoken and you always knew where you stood with her. She stood on her belief and prayed for all of her friends daily. Since April my thoughts and prayers having been going out for her. She treated me like her daughter. She loved my husband and our kids. I will forever cherish our friendship. Thank you Mary for all of the love and prayers. You are resting now and will never hurt again.

I love you!
