“ I first met Mary in 8th grade at Miami Springs Junior High School over 57 years ago ('61-'62 school year). We only lived a block apart & we became fast friends from that time forward. We'd hangout together at her house often & her parents were like a second mom & dad to me. Although we went to different high schools (I went to Hialeah High, she went to Miami Edison High), we remained close over the years. As our lives took us in different directions we always kept in touch. Once I moved to Georgia we were able to visit more often (her parents retiring to Atlanta was a bonus for me!). Mary loved sports (especially football & baseball) - one of the many things I loved about her. She said that one of her favorite memories was a time I visited her at the University of Florida; we were driving around the campus & town when she suggested we drive by Steve Spurrier's house (he was a UF senior then) - lo and behold, he was in his driveway washing his car. We actually stopped, spoke to him & drove off with his autograph! In recent years, she joined me in going to the FSU-Florida game whenever it was played in Tallahassee...she always enjoyed seeing her beloved Gators. There are SO many other stories I could share but suffice it to say Mary was many things to many people and, although she'll be missed tremendously, we each have those stories & memories to embrace and share. RIP, dear friend, you'll always be loved, missed and remembered - "Jimmy" & Janine Cameron

“ Mary & I met in 1964 at Miami Edison Sr. High School. I was a new student & we met in Latin American History class. She was so friendly & we had an instant connection. We were friends from that point on & ended up being best friends all through school. All through the years we have had so much fun & so many memories. We just saw her 3 weeks ago...I truly cannot believe she is gone. I love her like the sister I never had. I love her dearly & will miss her always. Much love to all her family at this sad, difficult time. RIP My dear friend you were just the best.

“ So saddened to hear about your mom. Mary was always such an uplifting presence no matter where she was. I worked beside her at our GCPS office and benefitted from Mary's cheerful nature as well as her talent and work ethic. I valued her friendship as did so many others. I will keep your family in my prayers. Love, Pat Allison
