“ Ms. Mary Alice is a relative of my Queen Family. So sorry to hear this. We just had a death in our family; this has to be so devastating for the family, especially this time of year or anytime for that matter. Roger, Bob and I are praying for you and yours during this difficult time. She was always so glad to see us when we came for BBQ & stew at the Queen's BBQ store. She always wanted to share with the history of Queen's gone by. So precious, and sweet lady. She and Bob could talk for hours about your Dad and his brother.

“ I want to say to the family of Mrs Queen that we are truly sorry for your loss and I have known this wonderful lady for many years coming just about every month or every time she had sausage for sale and she was a pleasure to talk with and do business with. A true southern lady and I know that she will be missed by all of her friends and family. Our heart is saddened by this passing and I know the loving memories will go on forever. God Bless Zack and his family and all of the Queen family during this time of sorrow.
