“ *I just found out that both of you are now gone and my heart is just breaking that your not here anymore to love your all your children and family. I just wish I had one more of your hugs for the road but my memory will be there. I bet when they laid you to rest you kissed Randy and told him to scoot over, right? Baby, what happened to you guys? I was able to see your memory video and I could tell you had gotten sick. I'm so sorry I did not check on you after Randy passed but I did not know. You can bet your bootie I'll keep a check on the ole Walton Tribune from now on!! To a wonderful couple that I already missed and took for granted I would see again. I'll see you again, tickle my nose while I sleep ok, just to let me know you knew I was there, just a lil late. Goodbye Sweetie Pie!!*
