“ *We were so saddened to learn of Mary Louise's death. I recall her in childhood with the shiny dark hair and Shirley Temple curls. She was a SHS beautiful classmate of Robert.*

Your family will be in our prayers.

“ *My foundest memory was sitting outside after WWF/ECW Paperviews and playing Wheel of Fortune handheld game while Mom relaxed with her cigarettes and we talked for hours about anything and everything. She will always be missed. Truly love the Troxell Family.*

“ I will always remember how sweet and nice she was. From little league baseball to neighborhood kids hanging out to July 4th parties like no other, Mary Troxell was always smiling, laughing and enjoying her friends and family. She raised some great children and helped keep a number of those children's friends in line. She will be missed but I feel blessed for having known her.
