“ *I was so sad to hear of Mary's passing. She use to live across the street from me when she lived in Tucson, AZ
She and I became close friends. She had given me some plaques that I have hanging in my kitchen. I will certainly miss her, her wonderful smile and her kindness. I love you Mary!

“ I had the privilege of working with Mary at First National Bank. I was the teller supervisor and she was by far one of my best tellers. She was a person who made my job so much easier.

When she talked about her beautiful daughters there was a glow about her. You could tell that she was extremely proud of them and that they were the joy of her life.

Jeff and I send our heartfelt condolences to Jack and Mary's family. May your memories of Mary bring comfort to you during this time of deep sorrow.
