“ *My deepest condolences to the family. Louis and my husband J.D. Jones worked together at Fairbanks Morse. Each family had only one car so Mary Ann and I were left at home with our babies. We spent so many hours on the phone chatting each day. We were best friends but I guess when J.D. moved to another job, we lost touch. I remember when Sandra, I think, was burned by the open gas heater. I was a lot of support to both of yopur parents but especially Mary Ann as she stayed in the hospital every day and night. I would like to talk with one of you girls if you want. My phone number is 770-969-9399. Again, my synpathy in the loss of your mother.##imported-begin##Lois Jones##imported-end##*
