“ *So sad to hear of Mary's passing. I worked with Troy at Cannon & Powell. I enjoyed getting to know both Troy and Mary. Troy had a tremendous impact on my life and career, I'm still with the company - 30 years later, and still hold fast to the basics he taught me. One thing I remember him teaching me...anticipate what the client will need, and give it to them in advance. Keep everyone happy! The flag pole he donated to the office is right outside my window. Think of him often when I look at it - I used to see Mary out and about around town - especially at her favorite breakfast spot - the corner café. She enjoyed our quick talks, and was delighted when I became a grandmother myself. Loved them both! Kids- grands and great grands - wear the name Woodall with pride! Troy and Mary were such wonderful people!##imported-begin##Lydia Livingston##imported-end##*
