“ Jackie..... You will never know how many lives you have touched and how many people morn loosing you... You touched many lives of people you worked with and met through the course of your day.....In knowing you the few years that I have known you, I feel your families sorrow. They lost a good wife, mother and great friend. You are the greatest Jackie.....I will definately miss but never forget your support and friendship.##imported-begin##Patricia Meza##imported-end##

“ Mary,
my sweet Mary, what can I say. I love you~! I will miss you~! I will miss your ALWAYS smiling face, always happy, always lovin those babies of yours. You were a great role model for me in raising my up and coming family when I got married. I saw the way a marriage should be. Loving and caring between you and my brother . I had many good times with you and my brother driving mom crazy when we were young. Don't worry, I'll keep an eye on those babies for ya~ If they EVER need anything they know to call Aunt Sindy
