“ I met Jodi online in 1997 when both of us had just gotten our WebTV. Several of us had our own Chatroom and talked every night. My husband and I went down and spent a weekend with her and Gene in Flowery Branch years ago. And a few years ago we met up with her and Homer when they came through our town on the way back from a visit to Ohio. Homer and family just know that she had friends all over the country and we are saddened to hear of your loss.
