“ Gary, I have just read of your tragic loss, and I am so sorry. You have been in my thoughts and prayers ever since you told me of your situation just a short while ago. From the postings I have just read, I can see that Mary was a very special person, and it is truly unfair that the two of you just had 11 years. It does appear that you lived those 11 years to the fullest, and touched a lot of people along the way. My deepest condolences to your entire family. “ Sisters: God blessed us with precious Mary. A warm, kind spirit & funny lady to be with. Girls, remember our days at Dacula...all of us would gather at the Hogan girls house & have the time of our lives. Mary always would laugh at my silly actions. She was so loving to my mother & spent time with her. Mom would always say how much she loved Mary. Such a wonderful caring heart. I will always keep Mary's kindness & sweet ways in my heart. With all the turmoil in the world today, it is people like Mary that lets me know God is real and works in them that let me in their hearts. She is truly a inspiration to all of us. Love to all of you!##imported-begin##Linda Davis Cox##imported-end##

“ We were blessed not only to worship with Mary at church but also to have had her be a beautiful watchful eye over our oldest son as he attended Dacula Elementary School ... where she was lovingly referred to by him as "the ice cream lady" ... who was always smiling and so kind to everyone. During his rough time in 5th grade, she was the one who encouraged him and let him know that he was "not alone" ..

*Mary was such a radiant soul, always compassionate and funny :)
... We are blessed to have had her in our lives. Praying God's peace over her family.##imported-begin##Bob and Dawn
