“ *Ray, We are saddened to read about your mother. I know it is a sad-glad time for you and your family. You are blessed to have had your mom with you for so many years. I know it is sad for you because we are never ready to give up our Moms but glad for her. She is worshipping at Jesus feet now. No more pain and suffering. We lost our daughter on June 11th. She had walked a journey of almost six years fighting breast cancer. Our sympathy, love and prayers are with you and your family through these sad days.##imported-begin##Harriet and Clark Harrison##imported-end##*
