“ *Hi Sis,*

I know its been awhile since I have written but I wanted to wish you a Happy 73rd Birthday a couple days early. I know you always felt the 4th of July celebration was especially in honor of your birthday. I miss you so much but now you have Margaret up there with you. I hope you two are laughing about the pizza scam we pulled on you.

It's so hard to believe you have been gone over 8 years now. Life is so different for me now, sometimes feeling very lost.

*I love you!
Your little Sis.*

“ Dear Mary Lou, The first year has past and there is still such a large
part of me missing without you here. You have now been reunited
with Ma, she also missed you so much. Everyone is in the process
of healing but it takes such a long time. Now losing Ma makes that
harder but we will be okay. I think about you everyday. I love you.
Your Little Sister.
