“ Just lost for words. Matt was a sweet and caring man. He loved his wife and kids. My prayers go out to Gloria his PRECIOUS wife (my sister) and there daughters Tori and Emily and the rest of there children. Love you all. Remember God promised if we are one of His children we will see our loved ones again in Heaven. I'm here if you need anything.

“ I met Matt in 1982, while in college. We were close friends and shared many good times. He was always the "guy to go to" if in need of support. I lost track of Matt when I joined the Army, but recently began re-acquainting. I am saddened that we didn't spend more time catching up. Prayers to his family . The world lost a good man.

“ To the members and friends of Millwright Local Union 1263, I just learned a few minutes ago that a long-time member of the Local has passed away. He had been sick, but I don't think any of us expected this news. Matthew 'Matt' Sasser lost the battle against illness, but won the fight to begin his final journey home. Matt was a great friend and a good Millwright to all who met him or worked with him. Matt was a special person who showed concern for all he met and worked with and he was the kind of Union member you wish we had more of. He was concerned with the welfare of our Local, our members and gathering up new members, encouraging our members as well as himself to improve their skills. I was blessed to teach a few classes Matt took through the years and even in classes, Matt showed his caring for others. Always positive, even when he was suffering with health troubles. I guess the truest thing I could say of Matt was to say that he carried his faith and his love for his fellow brothers and sisters.

We don't know any arrangements for Matt's service at this time. But if able we will try to let you know. As Matt would say, rest well my Brother. Rest well, Brother, we will see you on the other side of Heaven's gates.
