“ *Matty growing up we always looked up to you as our older cousin. Through the years we have had so many amazing memories. Like the times we would go swimming at my grandparents, hang out watching movies and listening to tupac, shopping at the providence mall, and playing games with the family! I will miss you greatly.*

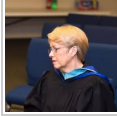

"a golden heart stopped beating. Hard working hands at rest. God broke our hearts to prove to us he only takes the best." It's with a heavy heart that we say goodbye Matty! I hope you find peace and happiness up there with Nana!

“ *I am deeply saddened by the news of Matt's passing. May the Lord give you and your family the strength to get through this moment of great sadness! Although I only knew Matt for about 4 months I knew the moment I met him that he was special. He had that special smile that commanded instant respect. He will be sorely missed.*

I knew Matt when he was in middle and high school. He was a special young man with so much personality. I enjoyed having him in class. I will always remember his huge smile, big heart, and quick wit. I will see you again one day, Matt.

There are no words of comfort that I can offer to erase the pain and grief of losing your child. Just know that I share your pain and I am with you on this journey that God chose for us. Rest assured that God has Matthew and Andy in his keep now. We did our earthly jobs of raising our sons. Now it's our time to give our babies back to God because their mission here on earth is complete. We will be with our boys again when our missions are done and it's our turn for God to call us home. Until then, we have each other to hold each other up and lean on each other as we follow this path that God has put us on. I love you Kim.
