“ Absolutely one of the nicest people I've ever met or talked to. He was such a hard worker, and had done amazing to pull himself back into the ballgame. I was so proud of him! He left us way too soon, but I like to think that God needed him to "wire something" or build a cell tower in heaven so we can communicate! Matthew is just the man for the job! This Earthly Angel will miss you for now, but we'll all reunite in heaven someday, so until then..keep an eye on things around there and rest easy now in the arms of our Lord. God Bless You Always, Karen Saffron

“ I met Mathew at the "J6 House" during CPAC house this past year and I instantly could tell her was a kind soul. He was so happy to be with the rest of us, he even said something about spending all he had at the time to get there to be with us all, cause we are like a family, even if we don't know each other, and I knew instantly what he was describing. This breaks my heart in ways i dont' understand and i am so angry about what our country did to Mathew.
