“ MeMaw, we will miss you!! I have so many memories of being at your house as a kid. All the family get togethers we had there. Living with you from time to time. Going shopping with you and “Mama Gail”. All the McDonalds we ate because you loved their Big Macs and diet cokes! You making me pick my own switch and swatting my little legs. Playing with my cousins outside and being terrified that a snake was going to fall out of a tree and get me, because you told us snakes could climb trees. 🤔 Losing my first two teeth in the front yard, sitting on the swing with Dewayne and Brian. The times you came and lived with us and would sneak us peanut m&ms while Dad and Becca were gone or not looking. It’s a no wonder I love peanut m&ms. Gosh, sitting in your bathtub with Dewayne as you treated us for lice. (lck!) You were such a strong woman! Giving up wasn’t an option. We’d all get scared every time you went to the hospital, but you always made it through. I surely thought you’d live to be 99/100. We love you and may you rest in peace. Give Aunt Brenda a hug for me. Seems like since she died, we stopped having family gatherings like we used to. All of us being grown and living hours away makes it harder.

Love,
Meggiesue
