“ Gary and Tammy -

My heartfelt condolences for the loss of your mom. I don't know much about your family but I have to think that holidays were a total blast and wildly chaotic! Assuming everyone showed, your mom must have been one "hostess with the mostest"!

From what I know just about Gary, she's left an incredible legacy; you and all your siblings have something not a whole lot of families have in this age - a huge related support group; how wonderful at such a time!

*With deepest sympathy,

“ So sorry to hear about your mom. She was a sweet lady. I still think about all those Barbie clothes she made when we were in 5th grade and she could monogram before you hooked a computer to your machine. She was very talented. She has been sick for so long and now she is at rest. Hope to see you tomorrow.##imported-begin##Lenea Masters##imported-end##
