“ Gigi was always the warmest person in room. She had a sweet smile and a beautiful calm spirit. We will always remember her love for westerns and room full of bobble heads. She will forever be in our hearts and memories.

“ She was she was Known as Maxine; but to all of us she was Mama, Grand Mama and Great Grand Mama “GG”

She was a Lady

She was a wonderful Mama

She was Grand mama

She knew how to wear all these titles with Loving Grace

She truly was the cornerstone upon which this family was built.

You could do nothing to cause her unconditional Love to fail.

You always had the awareness that you were loved by her and the comfort that would give you hope when facing the world.

Of all Mothers and Grand Mothers we had the Best

From her First Grand Baby, to her last, she never got tired of giving her heart in hugs and the smile that was always there for her Family.

She loved us all and we will miss her and are thankful that Our Father in Heaven thought us worthy to have her in our lives.

She was more rare than gold and taught us all more through her example than we could have ever known without her.

Forever Loved and Forever Missed.

Thank you Mama and Grand Mama

We all Love you now and forever.

We know you will receive the Love from the Father you gave all of us.

Peace Mama Peace Grand Mama
