“ *I was blessed to know MC Evans for 13 years. He was an excellent neighbor and wonderful friend! Everyone should be so fortunate to have a neighbor and friend like Pop. He had a wonderful sense of humor and a lot of common sense and wisdom from a lifetime of experience. Pop was always willing to help when he thought there was a need and he loved to visit with people. He loved his children, grand children and great grand children very much - they all meant the world to him! I miss him very much! We loved him and he will never be forgotten-I can always recall pleasant memories of the laughter and good conversations shared with him over the years.##imported-begin##Rhonda Haney##imported-end##*

“ i was a fortunate man to have met mc and bunie may evans (maw and pop) in 1984,, he reached out to me and my son jesse who was 7 years old at the time and helped us by letting us aquire the property next to his, by doing that pop and maw started a friendship that will last forever, i'll never forget all the good times we had and all the times we joked and laughed together,, i had the privelege of being pop and maws friend for 19 years my wife rhonda whom i married in 1995 got to enjoy 13 years of knowing pop and maw,,pop was as down to earth as the bluegrass he and i both enjoyed listening to,, when you talked to pop it was easy to figure out he was not college smart,,, in his own way he was a lot smarter than the college crowd,, his vast wisdom of life came from living ,,he knew things that you wont find in school books,,my own dad once told me that in a lifetime you can count your (true friends on a single hand) four fingers are already taken (maw,pop,danial and doyle) i guess i have room for one more in this lifetime ,,i know pop is physically gone now but him and maw will live throughout the rest of my life in my memories,,, i know i was a very lucky man to know pop and maw i hope someday ill get to see them again,,,,,,##imported-begin##ronald haney##imported-end##
