“ *THE BROKEN CHAIN*

*We little knew that morning, that God would call your name.
In life we loved you dearly; in death we do the same.
It broke our hearts to lose you; you did not go alone.
For part of us went with you, the day God called you home.
You left us peaceful memories; your love is still our guide.
And though we cannot see you, you're always by our side.
Our family chain is broken, and nothing seems the same.
But as God calls us one by one, the chain will link again.
Megan Marie Wulff Chapman

“ *Baby we miss you so much. We love you with all our hearts. I thank the Lord that you have peace in his arms right now. I so long to meet you at those pearly gates and tell you face to face the things I should have told you before I ran out of time. I will love you eternally and the boys and I will never forget your love, your kindness, your thoughtfulness and the passion for Jesus that you had in everything you would do. I don't know how we will make it without you but I trust the Lord that He will somehow bring us through it. One of your favorite sayings was "If God leads you to it, He will bring you through it". I now trust that He will do the same for me and the boys. We love you with all our hearts and we will cherish every moment spent with you. May the Lord our God be our strength in your absence. With love, Julian, Jacob, and Kaleb##imported-begin##Julian Chapman##imported-end##*

“ *My Sweet Girl,
I miss you so much! I can't stand the thought of never seeing you or hugging you or your daily sometimes multi daily phone calls. I always looked forward to the thoughtful things you did for your Dad and I. My heart will never ever mend! The only thing that gets me through is knowing that you are at peace. Thank you for your boys that is the best gift of all and for bringing Julian to our family.

I know you are watching over all of us. Rest in Peace my sweet, sweet child.

“ It still comes to a shock to me that my friend of 14 years is gone. She was a great friend mother and wife. Megan and I met in high school and were best friends over night. Megan would make me laugh at a drop of a dime, with her smile she could light up a room. God has a very special person standing next to him. She will be missed and only time will heal us.##imported-begin##Jessica Creasin##imported-end##

“ *To know Megan was to love her. There was something about her bright smile that could always make you smile and with her laughter you couldn't help but to laugh along with her. I shared many cherished memories with Megan, and will remember that smiling face I saw last time I was with her. She was so excited about life and her family. I know that only time will ease the pain you feel, but she is watching down on you now. Megan, you will never be forgotten.
