“ *My heart is broken to find out that you are gone to be with the Lord. Melissa you are a true friend and a smile that will light up the world. It was a pleasure being your friend at Clara Barton HS. We continued contacts through phone and whats app. As always the monthly text just to say hello and wish a happy month. Normally the response was prompt but when I texted on May 1st 2024 and did not receive a response. I thought you were busy at work. I was taken back when another classmate of us called me to say you are no longer with us. It was a shock and sad news. I guess it is the down fall of not having social media. May your sweet soul rest in eternal peace. My condolences goes out to your family. Love you, Melissa. You will forever be in my heart.*
