“ My lil pea,

I hope you are thoroughly enjoying your time with God. I miss you alot. I still wake up everyday looking for a text messge from you. Yeah i know I'm silly, but what else am i to do. You are the person who was a light to my darkness. You helped me escape the depths of dispare. Because of you i see everything in a new light. I was able to conqur my anger and upsets. Because of God and of your kind face , loving heart, and strong spirit. I have the faith i need. The faith to trust in God to be my shield. An eternal shield through which evil SHALL NOT PASS! For that i am eternally grateful. I look forward to seeing you again one day.

“ Melodee, you were a light to the world. When you entered a room, everyone knew. You always out shined everyone else. I know you are happy now but that doesn't stop the pain of those you left behind. I will see you again, Sweetie, so I want you to sing your loudest when I come to meet you. I will always carry you in my heart. I will never forget the good times you and I have had, along with your Mom and Bonnie. I love you Melodee.##imported-begin##Alice Armes##imported-end##

“ Frank and Ada we continue to hold you both up to the Lord and pray for His love and grace to surround you during these trying times. I know He is with you and will help you through these times. This evening, I had to take our cat and have her put to sleep. When I left the vet's office, I asked the Lord to take her to heaven to be with Melodee. “ Melodee was an angel sent from God to Ada and Frank. I know they and many others will miss their loving daughter/friend. It makes it a tiny bit easier knowing that she is gone to live with the Lord. We all pray that the Lord will give Ada, Frank and the family the strength to deal with their great loss.##imported-begin##Shirley A. Chapman##imported-end##
