“ *Hey, "Boone:" -- It's Eddie Lee from the Butler deer camp. I heard about you losing your daddy. I'm sorry, man. I know that hurts bad. I just wanted you to know that hearing you talk about your dad has been a blessing to me. You honored him and helped me get to know him through you. That's a gift, brother. Thank you for sharing your love for him, and I thank God for your dad's service to our country.*

“ My brother you will be missed by many. Your open and honest opinion has opened many an eye to another side of a view. Please watch over each of us and rest easy until we meet again.

“ We have enjoyed many years of brotherhood Hardcore. I have many fond memories of our rides to IPMC events but none trumps the ride to the Easterns in 2005. It rained the whole trip up and was iced over on the return trip. You earned your roadname on that trip. Please give Yogi and Elmo a big hug from ole Worm. Godspeed my brother. NFTB/IPFFIP

“ *Hardcore - It seems pretty unreal (to me anyway) that we don't have one more ride together. One more meal to share together. One more toast to be raised together. I know it may seem a bit late in the game to suggest this but I'll say it anyway try not to embarrass us when you get to your last duty station. I look forward to the day we ride together again. Keep two wheels up! Oh, don't forget to tell Chesty I said "Hi" wherever he is, and Semper Fi Marine Brother! Chico USMC, IPMC-NA*
